Semeru ERP

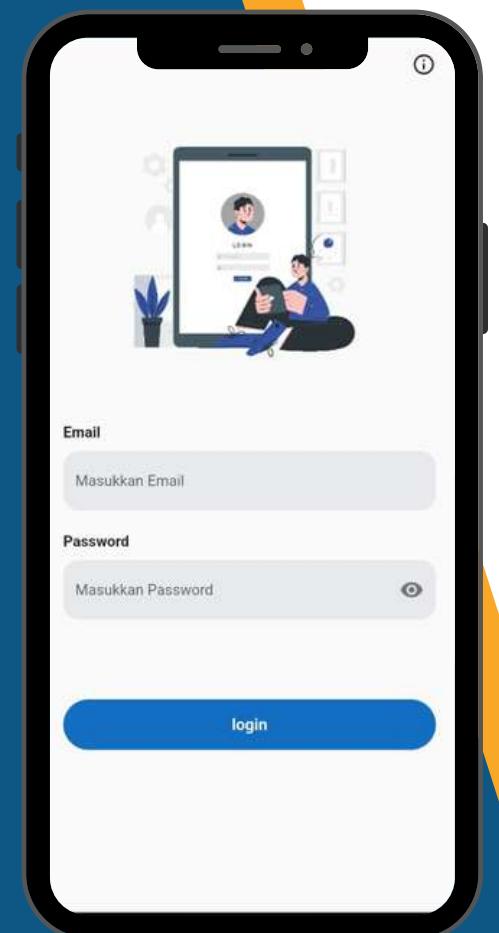

KlinikCare

Solusi manajemen klinik lengkap untuk dokter, apoteker, dan laboran. Mudah digunakan, mulai dari pendaftaran pasien, pemeriksaan, laboratorium, hingga farmasi. Sudah terintegrasi dengan SATUSEHAT.

The screenshot displays the KlinikCare software interface, which is a comprehensive clinical management system. The top navigation bar includes links for WhatsApp, e-clinic, ringgit - Penelusur, How to Scale SV, Live Streaming, and various other clinic-related functions. The main menu on the left lists modules such as Registrasi, Pemeriksaan, Farmasi, Radiologi, Laboratorium, Penerimaan / Mutasi, Kasir, and General. The central part of the screen shows a digital form titled "LUKA TEMBAK KELUAR" (Wound Exit) with a diagram of a human body. A "Delete" button is visible in the top right corner of this form. Below the form, there are "Cancel" and "Submit" buttons. To the right of the form, there is a section titled "Odontogram" (Dental X-ray) with a grid of icons representing teeth. A dropdown menu indicates the user is "Belum Dewasa" (Not yet an adult). At the bottom, there is a table with columns for Lokasi Gigi (Tooth Location), Permukaan Gigi (Gingival Surface), Kondisi/Pemeriksaan (Condition/Examination), Anamnesa (Anamnesis), and Aksi (Action). The table shows entries for tooth C18 with a note "(amf) Amalgam filling". The bottom right corner of the interface shows the version number "Version 1.0.0".

Harmony HR

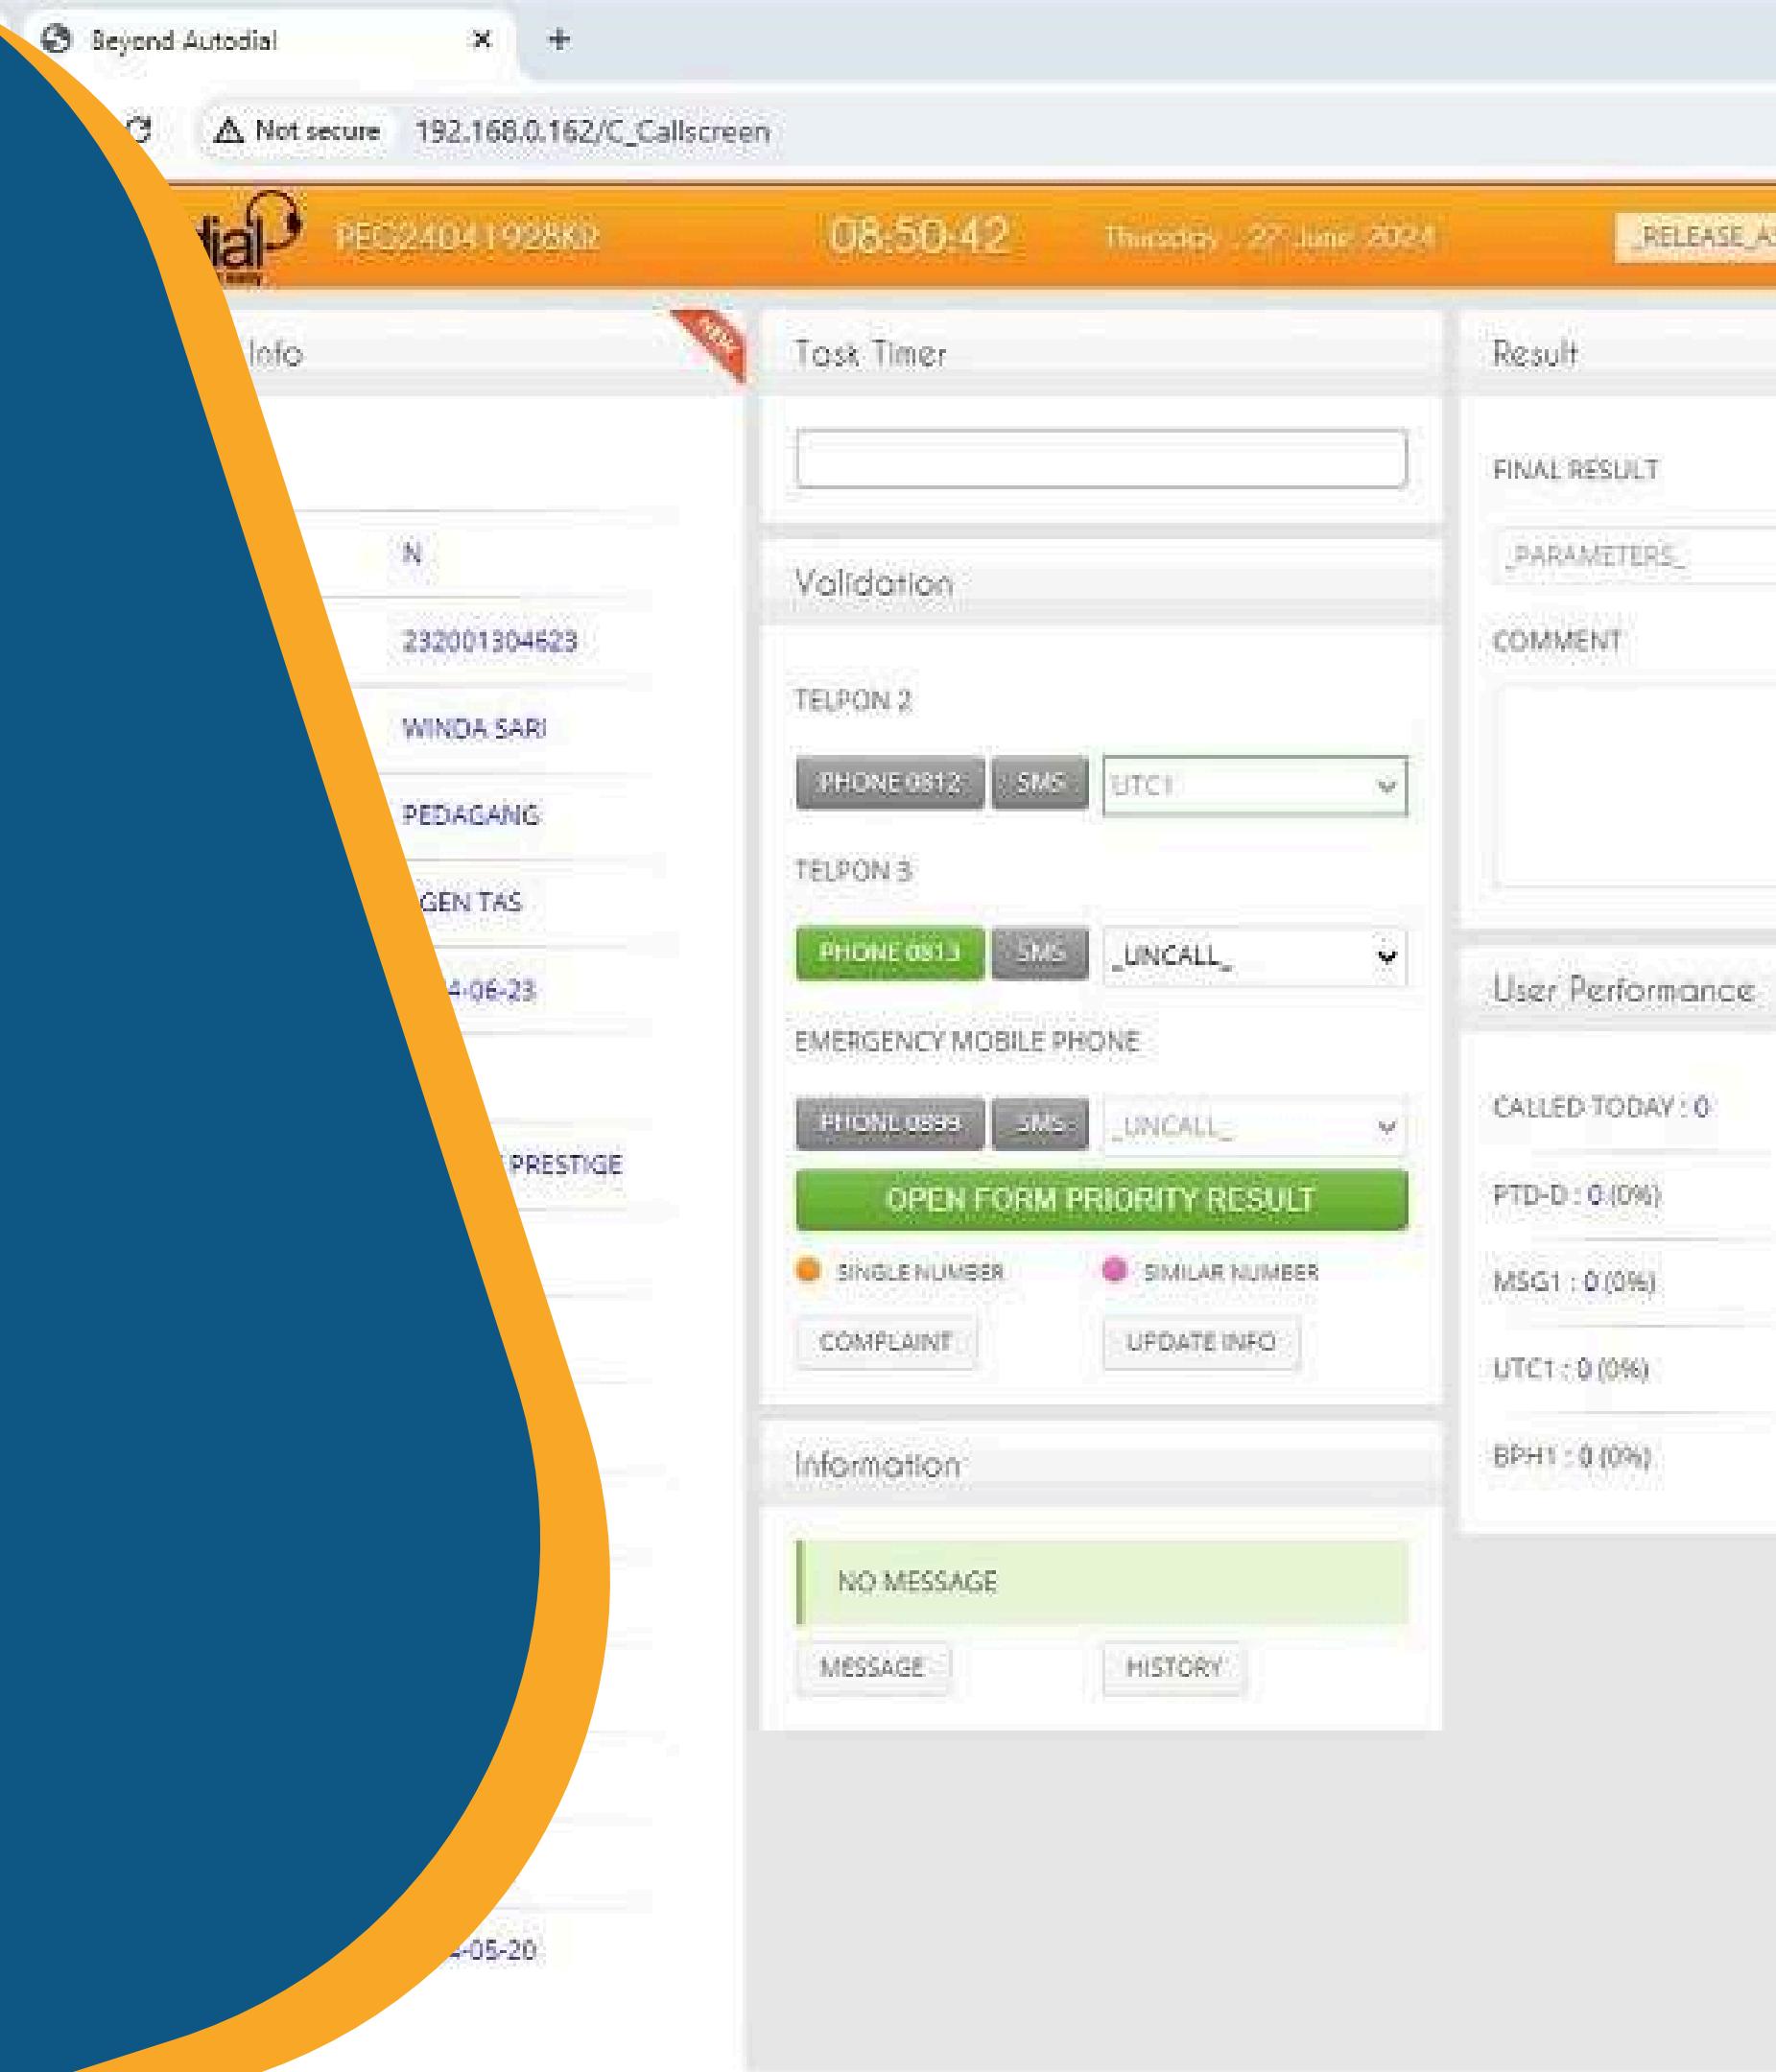

Satu module end to end pengelolaan data karyawan mulai dari registrasi employee sampai dengan proses terminate. Terdiri dari struktur organisasi, employee data, assignment, leave, biznis trip, time management, termination dan payroll

A composite image showing three parts of a HR management system. Top left: A cartoon illustration of a man sitting cross-legged on the floor, working on a laptop. A blue shield icon with a yellow checkmark is positioned above his head. Top right: A login screen with fields for "Username" (ADMHR) and "Password" (245gh), and a "Sign In" button. Bottom: A screenshot of a dashboard titled "Main menu". It shows a sidebar with "Role" and "ADMIN Roles" sections, and a main area with tabs for "Home", "Dashboard", "Inbox", "Outbox", and "Notification". Below these are sections for "HR Application Setup", "HR Employee Admin", "BRANCH Employee Admin", "Employee Self Service", and "HR Payroll". On the far right, there are summary boxes for "Inbox" (0), "Outbox" (0), and "Notification" (0). The top right corner of the dashboard shows the date "11 Jul 2023, 10:34:14" and a "Logout" link.

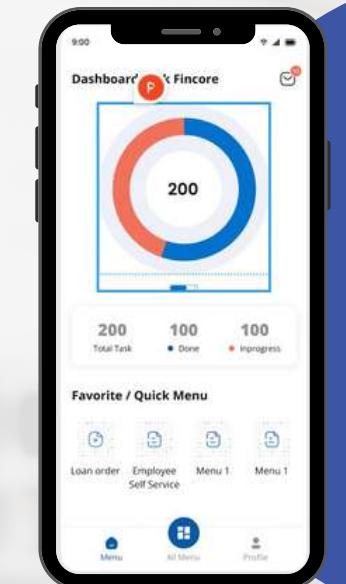

E-Meterai

Meterai elektronik (e-Meterai) adalah meterai yang digunakan untuk dokumen elektronik sesuai dengan Undang Undang No. 11 Tahun 2008, sehingga dokumen elektronik wajib dibubuh e-meterai karena salah satu bukti hukum yang sah.

The screenshot shows a software window titled "Beyond Autodial" with a URL "Not secure 192.168.0.162/C_Callscreen". The main area displays a list of contacts with columns for Name, NIK, Address, and Phone. A contact for "WINDA SARI" is selected. On the right side, there's a "Task Timer" section with a red progress bar at approximately 30%. Below it are sections for "Validation", "TELPOH 2", and "TELPOH 3", each with a dropdown menu showing "PHONE 08123", "SMS", and "UTC1". Further down are sections for "EMERGENCY MOBILE PHONE", "Information", and "User Performance". The "User Performance" section includes metrics like "CALLED-TODAY: 0", "PTD-D: 0 (0%)", "MSG1: 0 (0%)", "UTC1: 0 (0%)", and "BPHT: 0 (0%)".
